At Stanley's Olde Maple Lane Farm our in house catering offers a wide selection of dishes sure to please even the pickiest of palettes. Our strong working relationship with local growers, butchers, & suppliers ensures that we always have the freshest and most seasonal ingredients. We are more than happy to indulge your creativity and design a completely custom menu or create a unique twist on a timeless classic.

We work hard to ensure dietary restrictions and special requests are satisfied. In some cases a small surcharge is required to ensure guests with dietary restrictions (i.e. celiac disease, gluten allergies, diabetes etc) are well taken care of and can enjoy all of the courses you have selected.

In the case that a menu item you select does not meet our high quality standards, is unavailable due to shortage or recall or is out of season we reserve the right to substitute said item with a comparable choice of equal or higher value.

All pricing is accurate at time of printing. Due to market fluctuations and seasonal availability pricing is subject to change without notice.
