

YOUR WEDDING YOUR WAY

CONGRATULATIONS ON YOUR ENGAGEMENT!

Here at Stanley's Olde Maple Lane Farm we work with you to help alleviate your stress and create a unique personalized wedding experience! We don't work with standardized price lists or packages, instead, we work on an event-by-event basis, putting together a personalized quote based on the venue, number of guests, menu style & services that you would like to include. From the menu & dishware, the linens & décor, to the tables, chairs & specialty services, we can ensure you'll have your wedding your way!

YOU SAID "YES!"
LET US TAKE CARE OF THE REST

CEREMONY

With over 9.5 acres of manicured property, we have many options to host a beautiful ceremony that is just right for you. We offer ceremony times of 3:00pm, 5:00pm and 6:30pm although you can choose a later time at 2 hour intervals.

The Stone Steps

Surrounded by towering maples, and nestled between 2 large flower beds. The trees keep you shaded and cool on hot days, and the steps keep you elevated to be seen by all the people celebrating your special day with you.

The Maple Grove

A beautiful red cedar arch nestled among our Sugar Maples. This spot provides you and your guests with the illusion of getting married in the woods, surrounded by nature, without having to make the trek! Have our décor team add white organza or have your florist add an arrangement, also beautiful when left as it is.

The Glade

This is our newest ceremony site! A cedar pergola nestled between a large butternut tree and a beautiful garden sets the scene for your ceremony. With stunning views any way you look and a pergola that can be decorated to match your dreams we are sure that this will be a favourite ceremony site for all of our couples!

Looking for something different?

With so many beautiful areas on the farm we didn't think it was fair to limit our couples to only a few ceremony sites. That's why we welcome couples to find their own perfect spot anywhere on our farm! Take a walk around the property and see if you can find the perfect spot. As long as we can get the chairs in place then we can host a ceremony!

"Our Wedding Dreams Came True"

Stanley's made our wedding dreams come true. The venue is absolutely beautiful, our guests loved being able to visit the animals and explore the gardens. The staff were all diligent in ensuring we had everything we asked for, and incredibly patient with all of our questions and needs. The hall was decorated beautifully, the food was fantastic, and we all had the most amazing time. We'd recommend this venue to anyone, and will be returning every year during maple season. Not only were Stanley's absolutely excellent to us, but it felt good knowing that we were supporting a local family and local Ottawa farms. Thank you Stanley's!

"If you're considering choosing Stanley's as your wedding venue, wait no longer!!"

We had our wedding here on Oct. 8th 2023 and couldn't have chosen a better venue! The food was amazing, the staff were professional and courteous, and the day ran like clockwork. From the very beginning, over a year out, Stanley's planners had excellent communication skills and responded to any questions we had quickly and always with a friendly tone. We also loved having their online planning portal that both we and Stanley's could see so that there was no room for miscommunication. They did a great job of seeing my vision and helping me bring it to life. On the big day, they premeditated any possible concern or question I could have and took care of it immediately so that I didn't have to worry about a thing (special shout-out to our day-of coordinator Sierra who made me feel so looked after!). Even when it looked like it was going to rain during the ceremony, they were working behind the scenes coming up with a great plan and I ended up liking the new ceremony spot even better! Every staff member we met, including our carriage driver, was so friendly and never made you feel like this was just their day job. All in all, it was an amazing experience and I'm so glad we chose to have our wedding here. Thank you to the whole team!
