"Our Wedding Dreams Came True"

Stanley's made our wedding dreams come true. The venue is absolutely beautiful, our guests loved being able to visit the animals and explore the gardens. The staff were all diligent in ensuring we had everything we asked for, and incredibly patient with all of our questions and needs. The hall was decorated beautifully, the food was fantastic, and we all had the most amazing time. We'd recommend this venue to anyone, and will be returning every year during maple season. Not only were Stanley's absolutely excellent to us, but it felt good knowing that we were supporting a local family and local Ottawa farms. Thank you Stanley's!

"Truly made our day special"

Hello Stanley's team! I wanted to send over a quick message to properly thank you all for your role in our wedding. Throughout the chaos of the day and the hiccups from our external vendors we had along the way, Sophie and Francis were both incredibly appreciated and helped to ground both myself and Brennan when things didn't go as planned. We can't thank you enough for the service you provided and the amazing staff that were organized, efficient and friendly through the whole wedding planning process. You all truly made our day special, and we would absolutely recommend this venue to anyone looking for a gorgeous and well-executed wedding, with stunning landscape that allowed us to have incredible pictures.

"If you're considering choosing Stanley's as your wedding venue, wait no longer!!"

We had our wedding here on Oct. 8th 2023 and couldn't have chosen a better venue! The food was amazing, the staff were professional and courteous, and the day ran like clockwork. From the very beginning, over a year out, Stanley's planners had excellent communication skills and responded to any questions we had quickly and always with a friendly tone. We also loved having their online planning portal that both we and Stanley's could see so that there was no room for miscommunication. They did a great job of seeing my vision and helping me bring it to life. On the big day, they premeditated any possible concern or question I could have and took care of it immediately so that I didn't have to worry about a thing (special shout-out to our day-of coordinator Sierra who made me feel so looked after!). Even when it looked like it was going to rain during the ceremony, they were working behind the scenes coming up with a great plan and I ended up liking the new ceremony spot even better! Every staff member we met, including our carriage driver, was so friendly and never made you feel like this was just their day job. All in all, it was an amazing experience and I'm so glad we chose to have our wedding here. Thank you to the whole team!
